

# Account Object v5

Last Modified on 09/16/2019 1:19 pm EDT |

The GET LIST call is the only call available for the Account object. Resellers can create new accounts (contact [sales@sgizmo.com](mailto:sales@sgizmo.com) to learn more).

**GET LIST** - Get details regarding your SurveyGizmo account.

*Get requests will cache for 60 seconds. If you make repeated API get requests that are identical, the return will be cached and will thus return identical results.*
